I would like any RCRA generator and/or regulated waste information available. I did not provide addresses because each of these numbers is a bridge and the address is listed as a structure number. If you would like all of that information then I can provide it.

Thanks,
Kiel Keller

Please describe the records or type of records you are requesting under the Freedom of Information Act (FOIA). If you know the EPA statutory program these ID's were issued provide that information . ID numbers usually have an address, if you have this information provide to our office. Additional information is needed in order to assign to a program office.

Thank you.

Anna Rzeznik, Region 5 FOIA office.
